MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with the Attorney General
10 August 1977

1. We discussed MKULTRA. The Attorney General is working in three directions:

a. First, he will determine whether there is any possible criminal proceedings. This is a matter of checking the statute of limitations and the character of the activities disclosed in the MKULTRA files.

b. Next, he will look at the ways in which to try to track down the individuals who may have been tested.

c. Third, he will determine if there are any obligations to any such individuals.

I pointed out that we were under pressure from the press to say how fast we are getting along with locating the individuals. The Attorney General understood this and indicated he was moving ahead. 25X1

2. We discussed the [] case. Tony Lapham was present and has the details. Basically, I agreed to the following:

a. The CIA and the FBI would jointly approach [] as to the asset's willingness to appear in court. We thought it was desirable that a lawyer be present from either the CIA or FBI, or both. 25X1
